Bottom flap  
(Backside of envelope)

Side flap

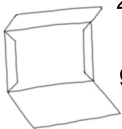

Top flap  
(Backside of envelope)

Side flap

**Create your own envelope!**

1. Color the envelope and cut along the solid border.

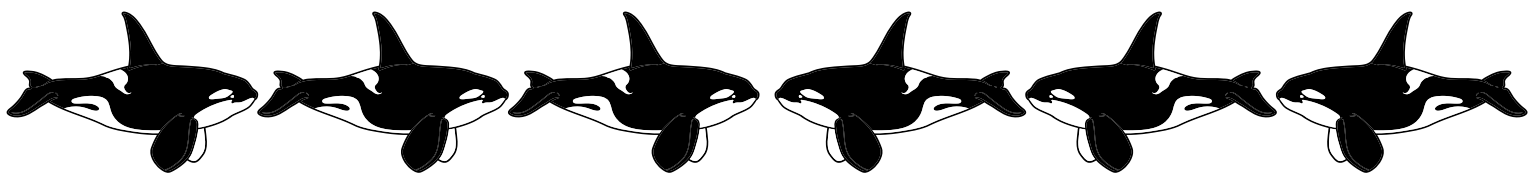

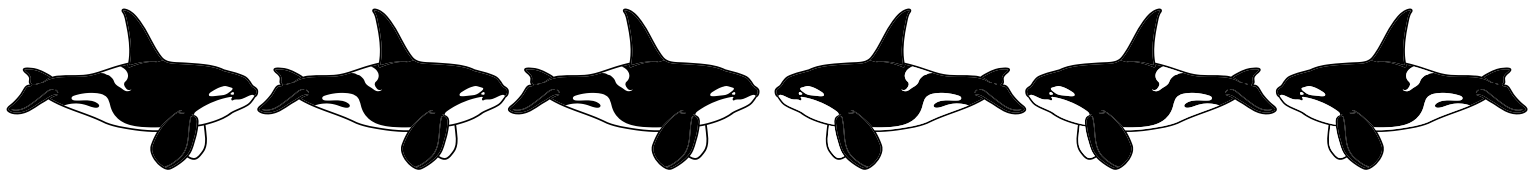

2. Fold along the dashed lines & add glue to each side flap.

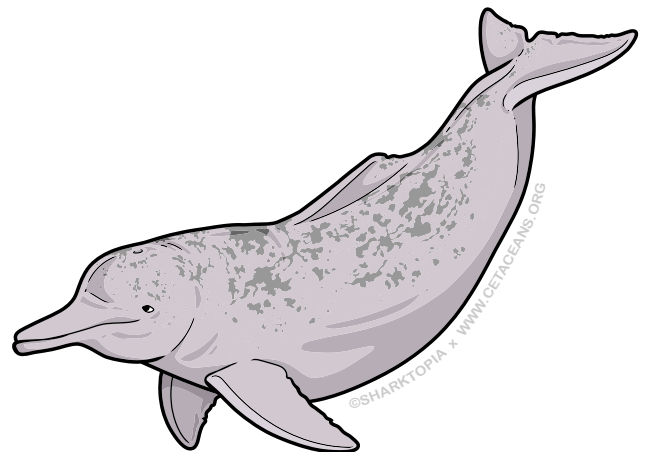

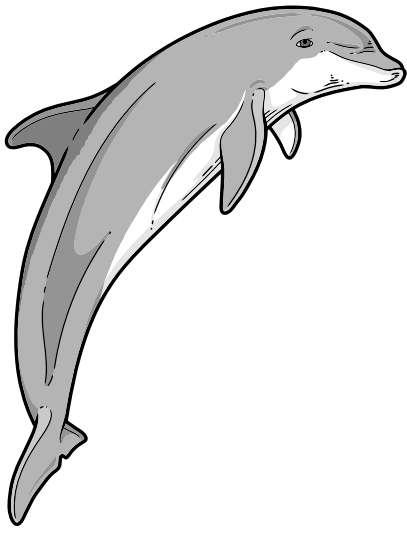

3. Fold bottom flap to meet the sides. Allow the envelope to dry.

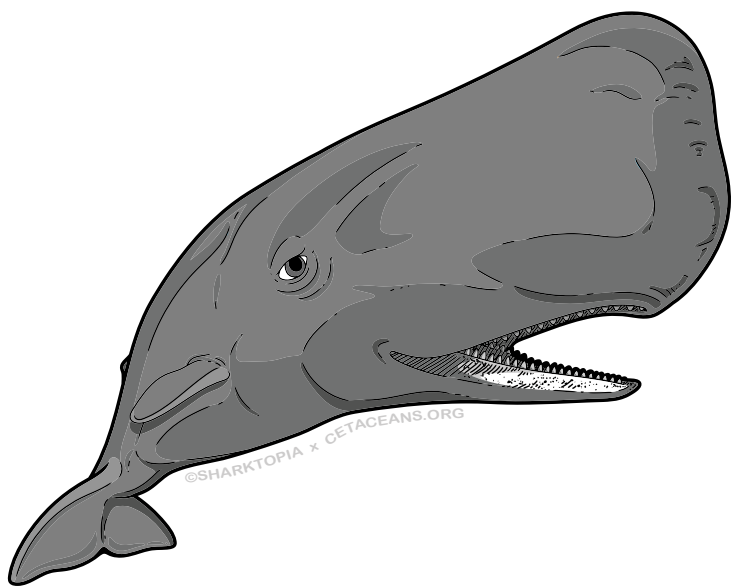

4. Insert card or letter, add glue to the inside of the top flap, & press down to seal it shut!
